WINE CO

Stage Door Wine Co. has been the result of a long work-in-progress. A privately owned South Australian wine business, founded in 2013 by Graeme Thredgold, whose long history in both music and the brewing/wine industry inspired this range. SDWCo. takes the passion and flair of the music and wine industries, and combines them to produce a range of premium wines with individual expression of place and time! The fruit for the label is sourced entirely off the family owned vineyard in the Eden Valley, which was planted in 1996 to predominantly Riesling, Shiraz and Cabernet Sauvignon.

2017 VINTAGE NOTES In stark contrast to the previous year, the 2017 growing season followed a long wet winter that replenished soil water profiles and a wet, windy September. A mild summer included regular rainfall events ensuring a long, cool ripening period. Bunch weights were increased leading to yield levels getting back to average and a harvest schedule also getting back to "normal" with Riesling coming off at the end of March and into April whilst the reds were picked in May.

2017 Eden Valley Riesling will be a stand-out and the reds aromatic and elegant as usual, but not as big.

The Green Room 2017 Riesling is now very comfortable with its station in life. Previously a lowly party animal, but now the leader of the pack. Pale straw with green hues and a lifted floral nose. A fruit bomb of juicy lime and mandarin on the palate. Start in the Green Room and linger for a while...
